Pedro Clisante is the main 'drag' and runs parallel to the highway that goes between Puerto Plata, Sosua and Cabarete.

- From the centre of Sosua head east (direction of Cabarete) on Pedro Clisante.
- After Amazonas Disco (was Passions Bar) and Rancho Tipico on the right take the first left in to Calle Portugal. If you go past La Pulga de Sosua you have gone too far.
- Take the first left in to Calle Francia.
- The apartments are about 100 metres on the left.
